WESTERN BIBLE COLLEGE 1980 - 1981

Our mighty Father guides and uses His children as He knows to be best for His glory and our growth. Many times He leads His own to sojourn in numerous places as they serve Him. We are delighted that He has chosen differently with Helen and Elsie Fick. For over thirty years they have labored as His instruments in the ministry of Western Bible College. Both ladies worked with Carl Harwood, Sr. by helping with the office work involved in the Christian Serviceman's Center in Denver. Elsie travelled as pianist with Mr. Harwood on his evangelistic trips. When Mr. Harwood founded Western Bible Institute in order to pass on some of his evangelistic methods, Miss Helen was the secretary and bookkeeper, and Miss Elsie helped in the office as well as teaching two classes, English and Teaching Children. These dedicated ladies have seen Western Bible Institute change to Western Bible College, and have witnessed much growth in the curriculum and the physical plant of the school. As the school has expanded, the limits of their duties have narrowed, and their serving of the school has continued constant. Miss Helen fills the position of cashier, processing gifts and salaries. Miss Elsie teaches English and acts as registrar, handling all records after a student is accepted to Western Bible College. For their faithfulness and joyful service we thank them, and dedicate this yearbook to them. May God make us all to be as faithful and earnest as they!

But despite the sleepy atmosphere of the meetings, the Freshman class had some fun times. The first social, a singspiration, was highlighted by the closeness - the oneness - of the class through sing-a-longs and particularly through the communion and prayer. The oneness was demonstrated through an incident which took place during the sing-a-long. Jim Hayden (cont. next page)

Another party sponsored by the class was a social type event in which there were numerous group games and skits performed by various members of the class. They served refreshments of caramel apples, corn dogs, and hot mulled cider. (cont. on next page)

The term, sophomore, is derived from two Greek words: *sophos* meaning wise, and *Moros* meanfng fool. To be sophomoric is to be marked by a shallow assumption of learning, or by empty grandiloquence; immaturity; or callowness.

The paradoxical word (wise fool) has its truth. Don't we tend to consider our academic knowledge as wisdom? Yet, comparitively, what we actually allow into our spiritual lives in minimal. (cont. next page)

Can you just imagine what Western would have been like without the well-turned crop of Sophomore we've had this year? Just think, without us this campus would not only be minus our intelligent faces, but would also be lacking the children's playground and the organized woodpile by the Student Union. These projects were inspired by our class theme BUILD, from Ephesians 2:19-22, " . . . in whom you also are being built together into a dwelling of God in the Spirit."

Yes! Here they are. Remember them? The brains, brawn, and beauty (take your pick) behind the dynamic Junior Class. Carol Kitterman (secretary-treasurer) will be best remembered for her cute little sneeze. Mr. Gordon Page (advisor) "helped" Mr. Boyd announce "warm fuzzies" in chapel. You've seen Mike Nusser (vice president) shoveling through frozen tundra to the broken pipes below. And Rick Vandall (president) will most often be remembered in the doctor's office. Volleyball

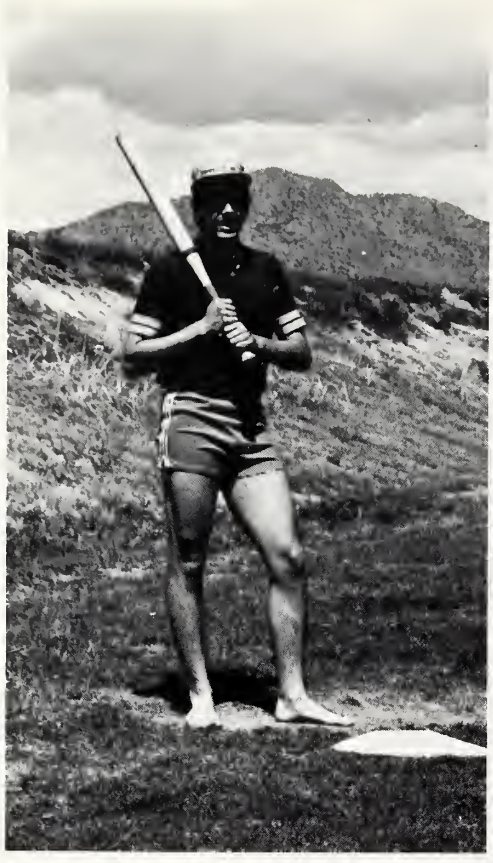
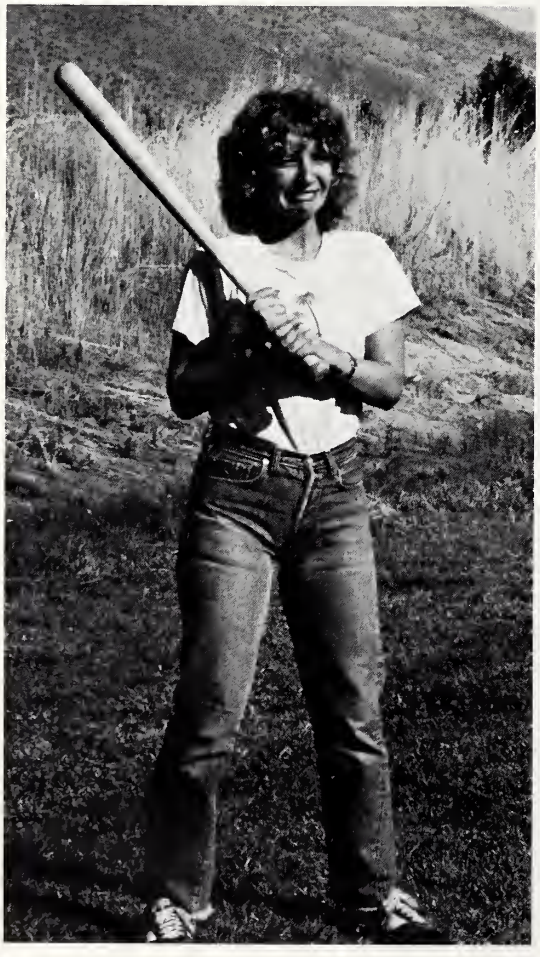
The Girl's Volleyball team 1980-1981 (left to right): back row, Lori Slee, Debbie Davis, Shelly Janes, Alice McCormick, Melinda Schurle, and Chris Sokol; front row, Joni Lynch, Angie Taylor, Judy Banning, April O'Keefe, and Sue Wilcox.

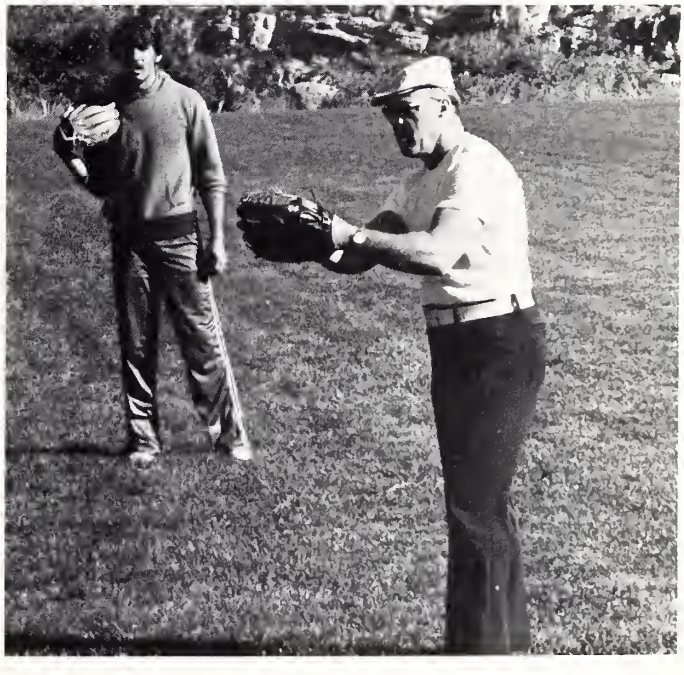
The 1980-1981 school year saw the beginning of Girl's Volleyball for Western students. Judy Banning took on the responsibility for recruiting girls, arranging for sponsors and uniforms, setting up games and teaching and coaching the girls in the discipline of volleyball. The team followed a regular training program and practice schedule, and played in a league. Even though some of the girls had not played in organized volleyball before, their goals were high and all played to the best of their ability. We hope that the team will continue to grow.

Softball

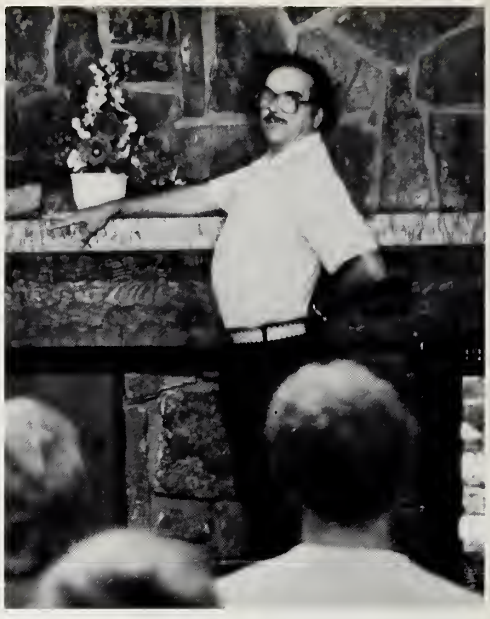




Professor-coached softball teams played regularly on Saturdays to provide an outlet for student energies and instructor rivalries, that is, weather and dry playing fields permitting. There were teams of roughly a dozen students, coached respectively by Bob Shelley, Dick Rollins, R. J. Koerper, and Jess Mahon. Mr. Rollins team came in at the top with a win-loss ratio of 4-0, and the others followed close behind. Just wait until next year though . . .



Concert Chorale



The Western Bible College Concert Chorale is made up of committed individuals - committed to the service of their King with their talents trained to excellence. Under the expert leadership of their director, Mr. Edward German, and their accompanist, Mr. Gordon Page, the Chorale performed the Messiah in December, gave several local concerts, and travelled a twelve day tour during spring break. Reaching beyond the Chorale's limits were smaller groups like the (cont. next page)

Ensemble and the Proclamation, as well as soloists. Providing the Chorale with student leadership were Jerry Jones (president), Paul Klein (vice president), Jeana Remington (secretary-treasurer), Sharon German (librarian), and Judy Heidemann (assistant secretary). Relaxation and even hilarity find their places in Chorale settings as exhibited in the Chorale talent show and the Retreat.

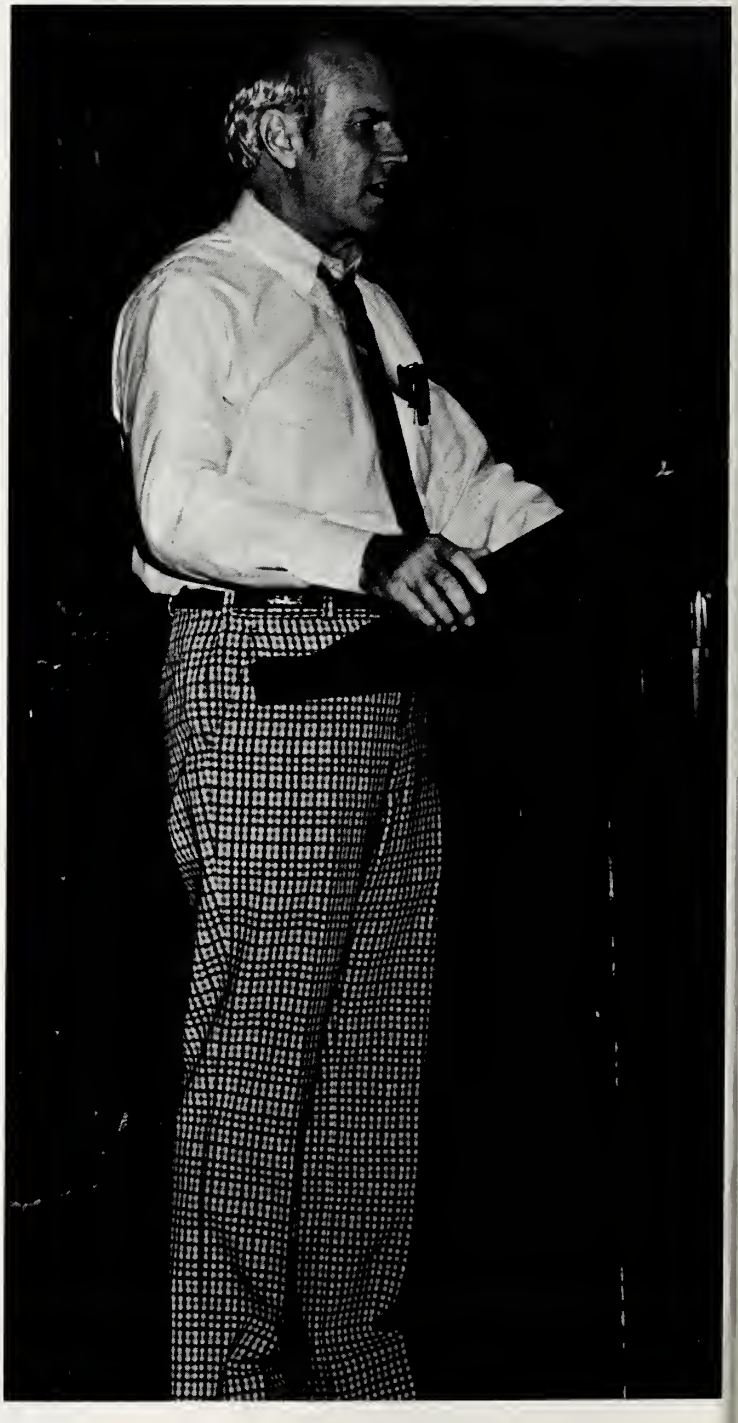
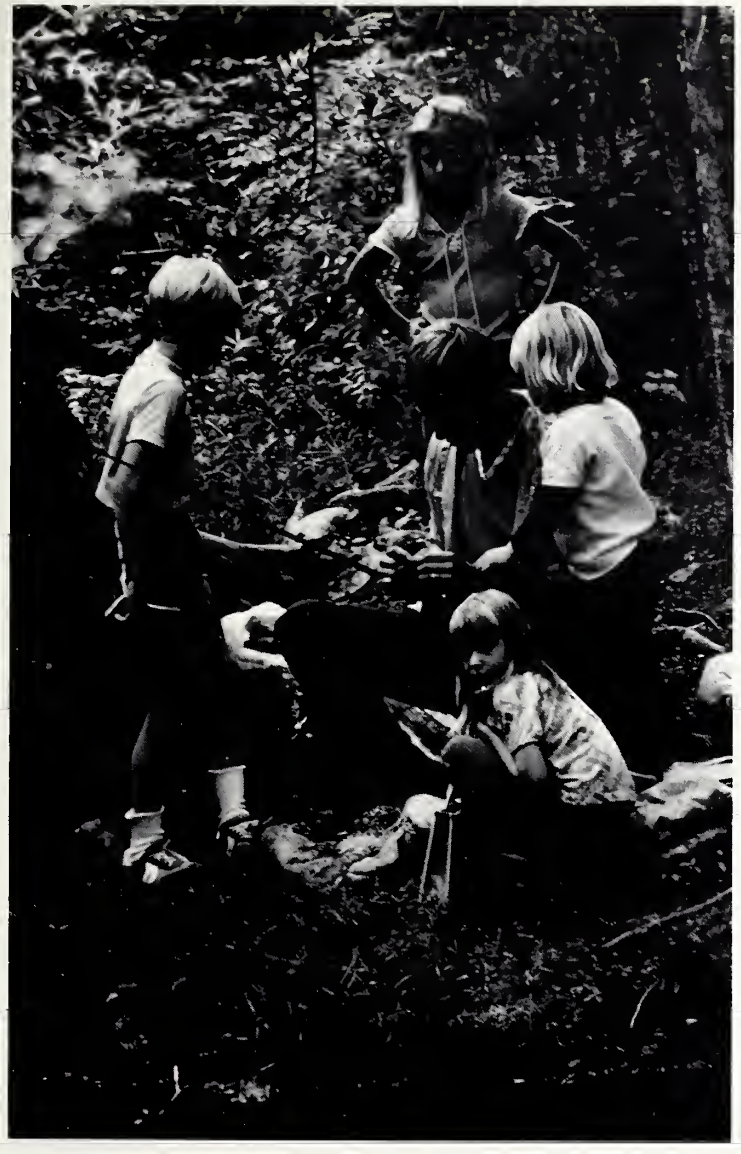
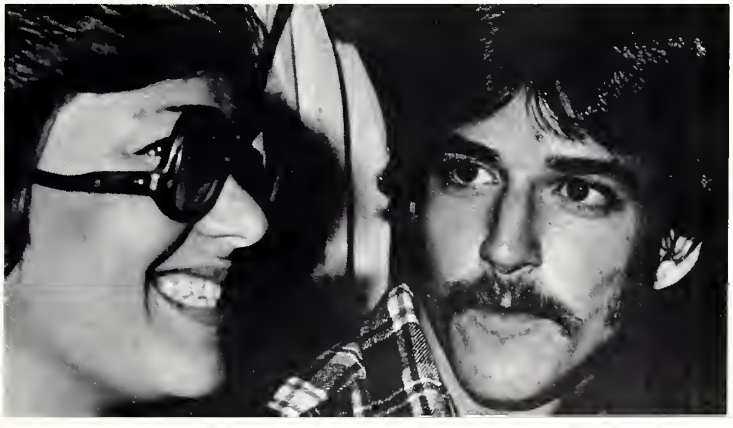
Fall Retreat

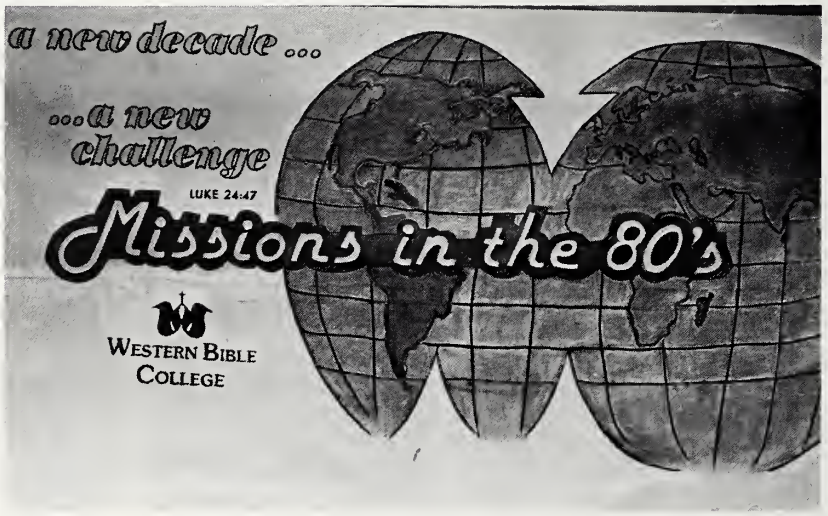
Singing River Ranch once again hosted the Western student body as they retired to the mountains for the annual Fall Retreat. Old friendships were renewed and the new ones sparked during the times of refreshment. The entertainment provided a relaxing atmosphere through skits, testimonies, and special music. Marc Norton and Mark Tracy, Beth Garner and April O'Keefe, Mike Arnott and Pat Hayes were among the songsters. The largest group singing was Chi dorm, with their rendition of "Soaking Up the Scripture." Outdoor recreation drew many away from their studies for the afternoon. Special challenge from the Word of God came from our speaker S. Lewis Johnson. Retreat is an opportunity none should miss.







World Awareness Encounter



"A new decade . . . a new challenge - Missions in the 80's" Our theme bore the weight of earnest desire seen in the eyes of Lem Morgan, our Missions Department Chairman. Many students, faculty members, and mission representatives worked together to make a week of challenges, of memories for the student body. Don McCurray and William D. Lawrence spoke with hearts on flame for Christ and the world He died to save. The sum is in our theme song: I want to bear the Word of Jesus' love, let others see His Spirit within me. What e'er the need might be, where e'er the task might lead, I'll let His will govern my way. This then's my challenge for the time that's ahead: Live out the depths of His love. (words and music by Gordon Page)

Wild West Days

Wild West Days is traditionally the party left to the imagination of the Freshman class, and they took advantage of the opportunity to shine. The early birds found a variety of afternoon "fun" games down on the soccer field. Food is the main attraction, though, and the Freshman furnished famished folk with chipped beef sandwiches, corn, pinto beans, and apple pie ala mode. A Walt Disney movie topped off the evening, with entertainment during intermissions provided by Tim Garrett and crew and Lori Slee and Barb Bohlender.

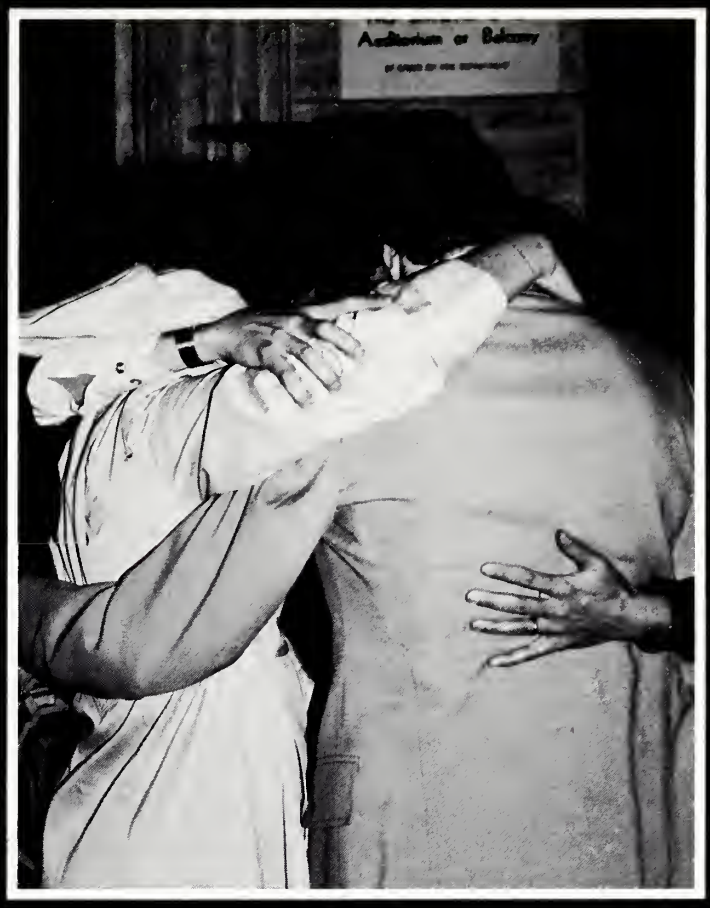
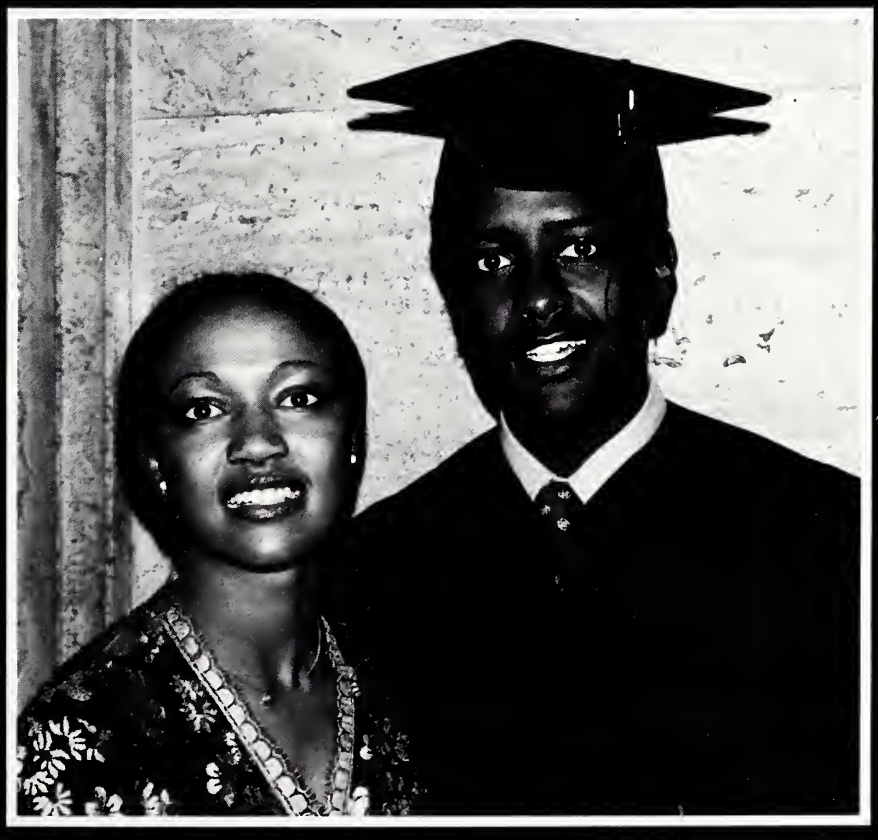
Spring Banquet

The Marriott Inn provided a charming setting for the Spring Banquet, hosted by the Juniors in honor of the Seniors. Cool weather was a welcome change to those who had known rain or snow at previous Spring Banquets. Danny Ee performed as Master of Ceremonies, evidencing for all to relish the joke-filled commeraderie which he shared with Paul Borden. Time spent relaxing with friends and loved ones was spiced with special presentations of awards in the areas of volleyball and basketball, and of recognition of special merit by the Senior class to their faculty advisor, Mr. Jonathan Smith. Hilarity reached its peak as the Juniors speculated on the Seniors' success through an imaginary twenty year reunion entitled "2001 - A Space Odyssey". Randy White, a locally known musician, rounded out the evening with music to challenge.

Commencement

Thirty-eight individuals completed one phase of their lives and commenced on another on Friday, May 8, 1981. The thirty-second annual commencement of Western Bible College was held at Phipps Auditorium in downtown Denver. Included on the program were Student Missions Impact and special award presentations as well as diploma presentations. Professor Lem Morgan made the presentations for Student Mission Impact, distributing a total of $6,000 to twenty summer missionaries who anticipate a ministry in places around the world. The scholarship awards were presented by President Bill Boyd, eight students being thus recognized. The Delta Epsilon Chi Award for the Honor Society of the American Association of Bible Colleges was presented to Sue Lynch and Roger Wisdom. Five students received (cont. next page)





the Lewis B. Stephens Scholarship, their names being Ted Swain, Randy Brandt, Elizabeth Emerson, Sue Guthrie, and Carole Hollis. Tim Altman received the Board of Trustees Scholarship. The Chorale sang two numbers which were chosen from the Chorale repertiore by the seniors in the Chorale: "Psalm 84" and "Oh Make Our Hearts to Blossom". Following the Chorale, Dr. Lawrence O. Richards (pictured on the previous page) addressed the

graduates. Dr. Richards also spoke at the graduation luncheon held earlier that same day. He is the founder of Renewal Research Association and author of several books. Professor Gordon Page played both the processional, "Pomp and Circumstance", and the recessional, Trumpet Tune Finale from "King Arthur", on the organ. Graduates formed a receiving line throughout the building immediately following the recessional in order that families and friends could express their congratulations.

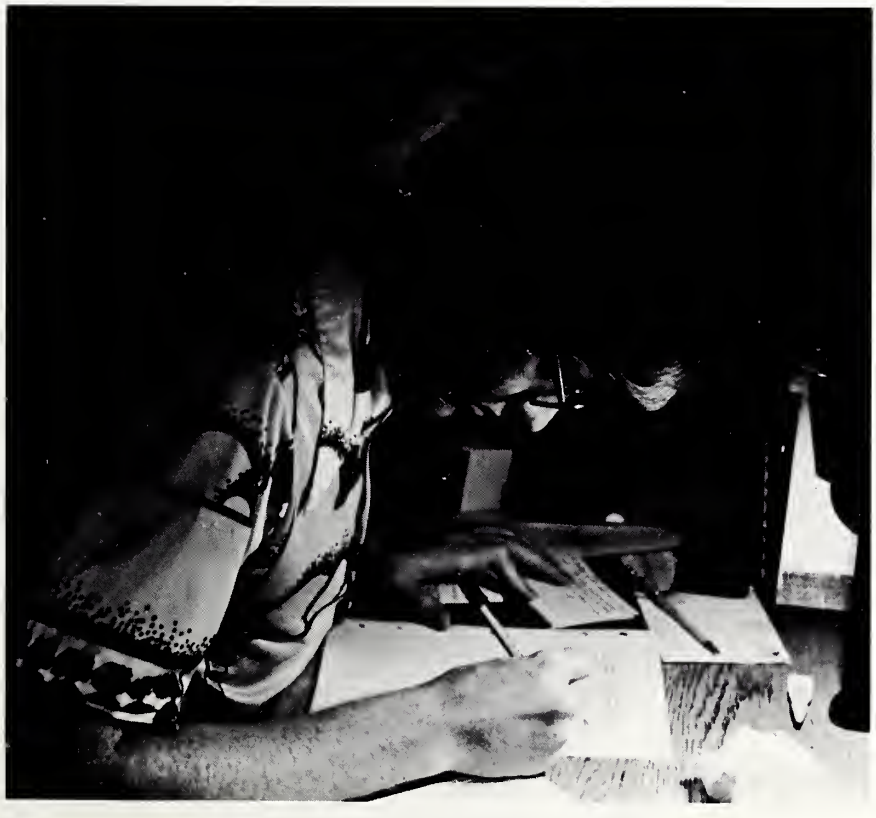
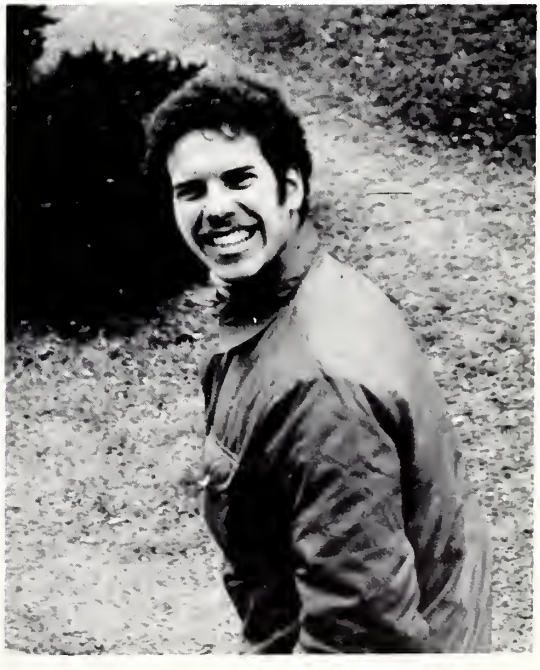
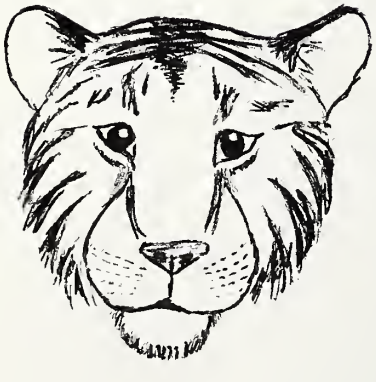
"Everybody gets a
kick out of saving with
a Gold C Values Book!"







Dear Students,

It is with deep sigh of relief that I reach this page. There is also a great feeling of accomplishment in having completed this yearbook. There have been many very good times connected with this yearbook and I am one who was fortunate enough to partake in those times. For that I am thankful. However, this book was put together by people. And, not unlike any other human endeavor that involves interpersonal relationships there were many conflicts. There were times, I'm sure, when every member of this staff had his doubts about the whole thing. There were certainly those times for me. But now, as I look back, I can thank the Lord for the whole experience, both good times and bad. Why? Because, through it all, others as well as myself have grown. It is this editers estimation, that if for no other reason, this yearbook was a success.

I'd like to take this opportunity to thank those who helped in bringing this "book of rememberances" to you.

Special thanks to all those who helped in any way to complete this book. Thanks to Cecil Cole for being our adviser. Special thanks for the artwork by Joyce Crow. And, last but not least, thanks to the faculty and staff of the school, and to all the students for putting up with us when we were in your way. Thanks to all for being so patient in waiting for this book to arrive.
